Oceania Youth Sailing

For a sailing adventure!

Our sailing holidays are as popular with parents as they are with teenagers! They take place in the school holidays and keep teenagers busy and entertained. Parents know their children are in safe hands. Qualified teachers teach students how to sail, but there is also time for other activities such as canoeing, games and beach barbecues too.

Learn how to sail on the open seas

Oceania Youth Sailing (OYS) gives sailing lessons to students in the best way possible – at sea. The boat is their classroom, and the other sailors are their classmates! It's an opportunity to have a great adventure – and learn new skills at the same time.

Learn from the very best

All our teachers have taught teenagers to sail for years and are very good at what they do. They are on the boat at all times and they make sure students enjoy themselves as well as learn and practise how to sail safely.

The courses

We have courses for everyone from beginners to advanced students. The courses last for a weekend or for five days. We sail along the south coast of England. It's a fantastic way to enjoy sailing lessons and other activities too.

Who can sail?

Are you between 13 and 17 years of age? Then you can join an OYS holiday. It's a great way to meet other young people who are also interested in sailing. You can come on your own or with a few of your friends.

How much does it cost and what does it include?

Click [here](#) to find out how much the different courses cost.

The price includes staying on the boat and all meals as well as the special clothing that students will need and a certificate to say they've completed the course.

So come and try us out! We look forward to sailing with you!
