

## English Journey - Fifth Grade Table of Content that Can Be Skipped

Dear teachers,

This document was made in order to help you prepare your semester or yearly plans. This document lists the content that can be skipped from the English Journey book. It is divided by unit, and each table shows the content that can be skipped based on the number of weekly English classes. It ranges the number of classes from 4 to 8. This is a **suggestion**, which means if a teacher can cover the content listed here, she/he should do so, as it helps students practice the skills.

Kindly note that this document only covers the content of the book. The resources (such as the IWB) are not mentioned since they are intended to facilitate the teaching process and not considered part of the book.

The IWB is one of these resources, which could be considered as a vital and essential resource. As it contains various multimedia content, such as:

- listening audios
- audio/video of the reading passages
- grammar videos
- digital flashcards
- list of words for each unit and their pronunciation
- an interactive version of the pages and content of the student book (to be displayed in classrooms)

The IWB also contains some fun games and songs for the early stages. These can be considered as an energetic teacher aid, and might be assigned as homework since students will have their own IWB version.

Kindly note that a suggested plan would be to cover the Action Pack content throughout the two to three weeks at the end, or beginning, of each semester, to reinforce the skills learned, such as speaking, listening and reading.

The content to be covered was selected based on the scope and sequence and whether it could be considered additional practice and does not affect the learning process.

**Important Note:**

The Reload and Progress Review aim to review basic Vocabulary and Grammar skills. When following this plan, kindly make sure to skip the questions in the reviews which are related to questions or content that is skipped during the lessons.

Writing topics to be covered in grade 5 (not all units are mentioned below):

<b>Unit</b>	<b>Grade 5 (A1+)</b>
2	Note
3	Email (beginnings and endings)
4	Note (saying thank you for a gift)
6	Story
8	Information sheet
9	Article

General notes:

- The listening section in the workbook
  - Could be assigned as homework if students have the IWB installed and activated at home. Or the mp3 audio file could be shared for them to use at home.
- The writing section in the workbook
  - Could be assigned as homework after explaining the topic in class.
