Reading Comprehension 1

Read the passage and answer the questions.

Leonardo da Vinci was a famous painter. He was born in 1452 in Italy and did many amazing things. Leonardo was a great painter. His two famous paintings are the Mona Lisa and The Last Supper.

But he was not only a painter. Leonardo liked to think about many things and even invented cool stuff. Before he became famous for painting, he was good at making machines and studying science.

Leonardo's clever ideas and drawings inspire people to be curious and creative. He showed us that it's okay to be good at many things. Leonardo da Vinci did things that no one else had done before. He died in 1519, but his legacy teaches us that being curious and using our talents can help us do incredible things!

.....

Reading Comprehension 2

Read the passage and answer the questions.

Thomas Edison was a brilliant inventor. He was born in 1847 in the United States, Edison achieved something amazing. He is known for inventing the light bulb, which brightened up homes and changed the way we live.

Thomas had a curious mind from a young age. Before becoming an inventor, he worked hard and tried many experiments. In 1879, he successfully created the first practical electric light bulb, making nights much brighter for everyone.

Edison worked hard and had great ideas that encouraged people to invent things. His ideas still make a difference because the light bulb he invented still lights up our lives. Just like Neil Armstrong and Philo Farnsworth, Thomas Edison's story encourages us to dream big and make history.
