- Focus on the pictures and ask learners the names of the food, e.g. say *Pasta* and the class repeats. Ask learners which picture comes first in the recipe. Encourage them to guess the sequence, e.g. point to a picture and ask *Is this number 1?*
- Play the audio. Learners listen and write numbers to show the order. Check.

CD2 Track 14

OK. Let's make Spaghetti Bolognese!

I cut the onions. I cook the onions in a pan.

I add the meat. I cook the meat with the onions.

Now, the meat is brown. I put the tomatoes in the pan too.

See pages TB120–132

Ending the lesson

- Write *Meat, Fruit, Vegetables, Drink* onto four large cards. Stick them on the board. Ask the learners to stand near the board. Choose four learners and tell them a word each: *Chicken, salad, water, mangoes*. They stand under the correct sign. Repeat with different learners and words.

Learning outcomes By the end of the lesson, learners will be able to read a recipe.

New language *cook, cut, mix, omelette*

Recycled language cooking, describing likes and dislikes

Materials pictures of food from Digital photo bank, flashcards of water and juice, large copies of the reading text or cut up copies of the text (optional), digital Mission poster

Warm-up

- Put some pictures of popular foods around the room. Include eggs, onions, meat, ice cream, and flashcards of water and juice. Point and ask the names. Learners repeat.
- Show learners they should go and stand by their favourite food.
- Choose one group to say the sentence *I like (name of food)*.
- Ask the different groups to say the sentence for their food.
- Now demonstrate they should stand near a food they don't like. Encourage them to say the sentence *I don't like (name of food)*.
- A few different groups say their sentence.

Presentation

- Mime some cooking words and teach them: *mix, cut, cook*. Learners repeat and mime the words.
- Say *Mix*. Show the class they should go and stand next to suitable pictures, e.g. for *mix* they can choose eggs. Say *Cut*. Learners stand next to a picture of food you can cut. Repeat with *cook*.

Pupil's Book, page 51

4 Read and circle the food words. Then number the pictures.

- Say *Open your Pupil's Books at page 51*. Focus on the picture. Ask the name of the food (*omelette*). Ask learners if they like omelettes. Ask which ingredients they think might be in the omelette. Write their ideas on the board.
- Learners read the text and circle the food words. Put learners into pairs to check their answers. Check with the whole class and see if the guesses were correct.

Alternative Put up on the walls two or three enlarged versions of the text. Put learners into groups and assign one of the texts to each. Check they know which is their group by asking them to point to their text. Get each group to stand in a line in front of the text. Say *Go!* Each learner takes it in turn to run to the text and circle one of the food words, then pass the pen to the next person in line. The first group to finish wins.

- Demonstrate the ordering task. Put learners in pairs to number the pictures.

Key: cheese onion tomatoes omelette

Alternative Copy and cut up the text into strips. Give one set of strips to each group of three learners. Get them to put the papers in order using the pictures to guide them.

- Learners read the text again.

Extension Learners hide the text. Read out the recipe, but use some words that are incorrect, e.g. *We've got two eggs, some ice cream, an onion ... We mix the eggs. We cut the eggs ...* The class calls out *Wrong!* as soon as they realise the word is incorrect.

mission Stage 3

- Set this Mission stage so that the class can complete or prepare it at home if possible.
- Show the class the third stage of the Mission poster: 'Recipe'.
- Tell the class to choose their favourite food for a sandwich. Show them your own favourite sandwich and tell them the ingredients, e.g. *In my sandwich I put chicken and salad*. Write the sentence on the board.
- The class create their sandwich recipes using the model. They draw pictures and label with ingredients.
- Stronger learners** These can write sentences as in the model.
- Extra support** Learners can draw a picture and label it. Monitor and guide.
- Alternative** Learners could do this at home and bring in the food.
- Put the class in groups of three. Each learner mimes making their sandwich. The other learners guess what ingredients are being used.
- For ideas on monitoring and assessment, see Introduction.

Activity Book, page 51

See pages TB120–132

Activity Book, page 44

- Say *Look at page 44 of your Activity Book*. Review *My unit goals*. Ask *How is your Mission?*
- Learners reflect and choose a smiley face for *My mission diary* 3. Monitor.

Ending the lesson

- Go back to Stage 3 on the digital Mission poster. Add a tick to the 'Recipe' stage or invite a learner to do it. Use self-assessment (see Introduction).
- Give out a completion sticker.

- 4 Read and circle the food words. Then number the pictures.

HOW TO MAKE ... *an omelette!*

- 1 You need two eggs, some cheese, an onion and some tomatoes.
- 2 Mix the eggs. Cut the onion and the tomatoes.
- 3 Cook the eggs for four minutes.
- 4 Put the cheese, onion and tomato on the eggs.

- Ask learners to guess what happens in the story.
- Say *Read and listen to the first part*. Show them paragraph 1. Play the audio. Learners listen and read. Pause the audio after picture 1. Ask learners to predict: *What sandwiches does Matt like? Which fruit does Mia like?*

Activity Book, page 52

See pages TB120–132

Ending the lesson

- Give out paper to each learner. Divide the class into three. Tell them *Draw picnic food and write the word*. Say to one group *Draw a drink*. Say to the second group *Draw something sweet – cake or chocolate*. Say to the third group *Draw meat or fish or sandwiches*. Monitor and support.
- Tell them *We need to make a picnic*. Write *chocolate* and *cake* on the board. Say *Is it a good picnic?* Encourage the learners to say *No*. Rub out *chocolate* and write *sandwich, water*. Say *Is it a good picnic?* Encourage the learners to say *Yes*. Tell the learners *Find friends for a good picnic*. Show your own picture and word, e.g. *chicken*, and demonstrate finding friends, e.g. a learner with cake or fruit or similar, and then another with a drink. Learners mingle and find other learners with foods to make a good picnic together.

Learning outcomes By the end of the lesson, learners will have talked about feelings and learnt about sharing.

New language *happy, sad*

Recycled language *birds, clothes, food, describing likes and dislikes, making offers and suggestions, scarecrow*

Materials two pictures – happy and sad face emoticons (optional), flashcards of fruit (e.g. apple, mango, banana) and picture of watermelon from Digital photo bank, audio

Social and Emotional Skill: Sharing

- After reading the story, ask the learners simple questions: *Can the children cook burgers in the woods? (No) How do the children in the story feel? (Sad)* Say *Yes, they feel sad, but they accept it's a rule. It's important to follow rules. Say Matt and Mia share the food in the picnic. Mia shares her chocolate with her brother. Ask What does Mia say? (Would you like some chocolate, Matt?) What does Matt say? (Yes, please!)* Say *Matt is very polite. It's important to share things and be polite. Ask What do we share in the classroom? (e.g. Crayons, toys)*
- Hand out a worksheet to colour. Place two boxes of crayons on each table. Say *We have two boxes for everyone. Let's share the crayons. We take turns. What colour would you like, (Juan)? (Juan), can I have the red crayon, please?* Continue with all the crayons. The learners ask politely when they want a different crayon.
- After completing Pupil's Book Activity 2, hand out two pieces of card to each learner. They draw a happy face on one and a sad face on the other. Ask *How do you feel today?* The learners hold up one of their cards. If the pupils know more emotions, you can make a range of face cards.

Warm-up

- Draw a happy face emoticon on the board (or put up a picture). Draw a sad face emoticon. Ask *How do the children feel at the end of the story?* Learners point to the emoticon. Ask *How do the birds feel?* Learners point to the emoticon.
- Act out the story again using summary sentences as in the previous lesson. Encourage the learners to act too.
- SA** Use self-assessment techniques to check how well learners think they understand the vocabulary. See Introduction.

Presentation

- Point to the happy face emoticon on the board and say *happy*. Learners repeat. Point to the sad face emoticon and say *sad*. Learners repeat.

- Make a happy face. Say *I'm ...* Learners say *happy*. Make a sad face. Say *I'm ...* learners say *sad*.
- Ask learners to look at the units they have done so far. Ask *Who is happy?* Learners find pictures of characters looking happy. Ask *Who is sad?* Learners find pictures of characters looking sad.

Pupil's Book, page 53

2 How do they feel? Read and circle.

- Say *Look at Activity 2. Look at the faces. How do they feel?* Learners guess the answers. Say *Read and circle*. Learners read the story all the way through.
- Check answers.

Key: 2 happy 3 sad 4 happy

- Tell learners to close their books. Ask them to write *happy* and then *sad*. Check the spelling.

3 Ask and answer.

- Show flashcards and/or pictures of different fruit (e.g. apple, mango, banana, watermelon). Point. Learners say the names.
- Say *I like fruit. I like apples and mangoes. I like watermelon. Do you like fruit?* Learners answer.
- Ask and answer with a confident learner: *Where do you have lunch? (I have lunch at home.) (Who do you have lunch with?) I have lunch with my friend, (name).* Learners have similar conversations in pairs.

Activity Book, page 53

See pages TB120–132

Ending the lesson

- SA** Repeat the self-assessment technique used at the start of the lesson to see how well learners think they understand the vocabulary. Is there any change?
- Learners draw a picture of a food item and write the word.
- Learners stand in a circle. Take a picture from a stronger learner. Demonstrate the activity. Hold up the picture and say *I like (food in picture)*. Encourage the learner who drew it to say *No! I like (food)* and collect their picture.
- Take all the pictures, mix them up and hand them out again randomly.
- Choose a learner to start. He/She holds up their picture and says *I like ...* The owner of the picture says *No! I like (food)* and takes it. Continue around the circle until all learners have their pictures back.

But what's this? Birds!

'Hey! Go away!'

'We need a scarecrow,' says Mia. They put the watermelon and some clothes on a stick. The birds don't like the scarecrow. They fly away! Mia and Matt finish eating.

But what about the crumbs? 'We don't need the scarecrow now,' says Matt. So Mia takes the scarecrow down.

'Come on, birds,' calls Matt. 'Come and eat the crumbs!' It's good to share your picnic with friends!

2 How do they feel? Read and circle.

- 1 When the children can't cook burgers in the woods, Matt feels:
- 2 When Matt sees the chocolate, he feels:
- 3 When the birds arrive, Matt feels:
- 4 At the end of the story, the children feel:

Learning outcomes By the end of the lesson, learners will have listened for information, made predictions and eliminated incorrect answers, learnt how to listen well in an exam and learnt how to improve word stress.

New language *kiwi*

Recycled language colours, food, prepositions of place

Materials a few sentences on paper (*I like lemonade, but I don't like chicken. Matt and Mia like egg and chicken sandwiches. Cut the onion and tomatoes. Does Cameron like chocolate?*), Food 1 and 2 and Friendly Farm animal flashcards, picture of kiwi from Digital photo bank, audio, paper, coloured pens or pencils

Warm-up

- Pick ten learners to stand in a line at the front of the class. Choose a sentence from the ones you have prepared on paper, and read it to yourself in front of the class, but don't show it, e.g. *I like lemonade, but I don't like chicken.*
- Whisper it to the first learner in the line. The learner whispers it to the next learner. They continue whispering down the line. The last learner says the sentence out loud.
- See if it is the same as the original sentence. Show the learners the sentence and say it aloud so they can hear if it is correct. Say *Well done!* or *Let's try again.*
- Repeat with new learners and sentences.
- **SA** Use self-assessment techniques to check how well learners think they understand the vocabulary. See Introduction.

Presentation

- Say *Let's do a listening exam.* Write *Listening Exam* on the board.
- Sit down and act out speaking. Say *Is this good? (No)* Act out looking out of the window and fidgeting. Ask *Is this good? (No)* Act out looking very nervous and panicked. Ask *Is this good? (No)*

Pupil's Book, page 54

1 Look at the pictures in Activity 3. What can you see?

- Use a picture to teach the word *kiwi*.
- Say *Open your Pupil's Books at page 54.* Point to the pictures. Ask *What's this?* Learners say the words.

Key: kiwi, grapes, banana, book, chair, desk, school bag

2 Look at Activity 3 and listen. Which picture is not correct?

- Point to the three food pictures. Say *Let's find a picture that is **not** correct. Listen and point.* Play the audio. Do the

example together. Then learners do number 1 in pairs.

CD2 Track 16

Example

Mum: Would you like a banana, Dan?

Dan: Yes, please.

1

Lucy: Dad, where's my book?

Dad: I don't know, Lucy. Is it on your desk?

Lucy: It isn't, Dad.

Key: Example It isn't picture A because there isn't a banana. 1 It isn't picture B because it's on the desk.

3 Listen and tick (✓) the box. There is one example.

- Point out the exam tip at the bottom of the page. Say *Look at the pictures.* Show the first set. Ask *What is different in pictures A, B and C?* Learners give ideas. Repeat with the second set of pictures.
- Say *Now listen and tick.* Play the audio. Learners listen and tick the pictures. Check answers.

CD2 Track 17

What food would Dan like?

Mum: Would you like a banana, Dan?

Dan: Yes, please, and can I have some grapes?

Mum: OK. And would you like a kiwi too? It's your favourite.

Dan: No, thanks, Mum. I don't want one today.

Can you see the tick? Now you listen and tick the box.

One Where's Lucy's book?

Lucy: Dad, where's my book?

Dad: I don't know, Lucy. Is it on your desk?

Lucy: It isn't, Dad. And it isn't on the chair in my bedroom. Oh no!

Dad: Look, Lucy – there it is, in your school bag!

- Say *Well done. When you listened, you didn't talk (mime chatting), you listened hard (mime fidgeting) and you didn't feel worried (mime being nervous). Good job!*

Ending the lesson

- **SA** Repeat the self-assessment technique used at the start of the lesson to see how well learners think they understand the vocabulary. Is there any change?
- In pairs, learners spell out food words on one another's backs and guess the words.

Learning outcomes By the end of the lesson, learners will have revised the language in the unit and had a picnic, offering and sharing food and saying what they like and dislike.

Recycled language unit language

Materials Food 1 and 2 flashcards, paper, coloured pens or pencils, a template picture of a sandwich with ingredients labelled for learners needing extra support (optional), paper plates, dice, counters, real food and drink (optional), digital Mission poster

Warm-up

- Put learners into groups. Say *Let's do a quiz.*
- Hold all the Food 1 and 2 flashcards towards you. Say *First tell me the names. What is this?* Turn each flashcard over quickly. Learners answer.
- Say *Now give me an example.* Ask for examples of the following:
A drink
Something we eat for breakfast
Something we eat for dinner
A food we can cut
A food we can cook
- Give a point for each correct answer.

Presentation

- Write on the board:
My favourite sandwich My favourite drink
- Give out paper and coloured pens or pencils. Say *Draw your favourite sandwich. Draw your favourite drink. Write the ingredients.* Learners draw and label.
Extra support Give out a template picture of a sandwich with the ingredients labelled.
Fast finishers Learners can add extra food, e.g. cake or fruit, and write sentences about the sandwich.
- Put the learners into pairs. Say *Tell your partner about your food. What is in your sandwich? How did you make it?*

Pupil's Book, page 55

mission in action!

Have a picnic.

- Learners sit in their Mission groups, as if having a picnic. Make one of each group the Mission leader. Say *Your job is to help me.* Give paper plates to the Mission leader and ask them to hand out the plates to their group. Learners put their food pictures onto their plates.
- Demonstrate showing your picnic food, telling them what is in your sandwich and what your drink is. Learners say if they like or dislike your food. The Mission leader points around the group so each learner will explain their food and the other learners say if they like it or not.

- Learners role play sharing and eating food. Mime offering your food and ask *Would you like a chicken sandwich? Would you like some juice? Can I have some chocolate?* Remind them to say if they like something.

Extra support Instead of asking questions, learners answer *Yes, please* or *No, thank you.*

Fast finishers Ask learners to choose the best food from the picnic and offer it to a fast finisher in a different group.

Alternative Bring in real food (including food the class have made at home) and have a real picnic.

-  Point to the banana in the picture. Say *Tell me about this.* Learners say, e.g. *It's a banana. It's yellow.* Repeat with other pictures on the page and in the unit, e.g. *Tell me about this. (It's a picnic. There are apples.)* Learners repeat the activity in pairs.
- For ideas on monitoring and assessment, see Introduction.

Self-assessment

- SA** Say *Did you like our 'Have a picnic' Mission?* Learners show a thumbs up, thumbs down or thumbs in the middle.
- Say *Did you do better than the last Mission? Better? Or not?* (Learners show thumbs up or down.) Praise or say *OK. We can try again.*

- Learners reflect and choose a smiley face for *My mission diary* the final stage. Monitor.
- Point to the sunflower. Learners read the 'can do' statements and tick them if they agree they have achieved them. They colour each leaf green if they are very confident or orange if they think they need more practice.
- Point to the word stack sign. Ask learners to spend a few minutes looking back at the unit and find a minimum of five new words they have learnt. They write the new words into their word stack. See Introduction for techniques and activities.

Ending the lesson

- SA** Go back to the completion stage on the digital Mission poster. Add a tick. Use self-assessment (see Introduction).
