Alex اليكس

I love extreme sports! Last weekend, I went go-karting with my friends. I wore a helmet and special clothes. I had a brilliant time!

أحب الرياضات المثيرة! في عطلة نهاية الأسبوع الماضية، ذهبت لسباق الكارتينج مع أصدقائي. ارتديت خوذة وملابس خاصة. لقد قضيت وقتاً رائعاً!

Sami سامي

Last summer, we had the best holiday of our lives. My brother tried water skiing, surfboarding and kite surfing! I also had my first diving lesson. It was a bit difficult, but I loved the feeling of being underwater. I can't wait to go again.

الصيف الماضي، قضينا أفضل عطلة في حياتنا. جرّب أخي التزلج على الماء وركوب الأمواج ب الطائرة الورقية! كما خضعت لأول درس في الغوص. كان الأمر صعباً قليلاً ، لكنني أحببت الشعور تحت الماء. لا أستطيع الانتظار لتكرارها.

Dana دانا

I don't really like extreme sports. They're too dangerous. The extreme sport that I've tried is horse-riding. At first, I was scared because the horse looked so big. But when I got on, I wasn't scared at all! I was proud of myself for

being brave.

لا أحب الرياضات المثيرة كثيراً. إنها خطيرة للغاية. الرياضة المثيرة الوحيدة التي جربتها هي ركوب الخيل. في البداية، شعرت بالخوف لأن الحصان كان يبدو كبيراً جداً. لكن عندما ركبت عليه، لم أشعر بالخوف إطلاقاً! كنت فخورة بنفسي لشجاعتي.

Mei می

I often go rock climbing at my local sports centre. I love the feeling of going higher and higher! It's so exciting and I know the ropes will keep me safe.

غالباً ما أمارس تسلق الصخور في مركز الرياضة المحلي. أحب الشعور بالصعود أعلى وأعلى! إنه مثير للغاية، وأعرف أن الحبال ستحفظني بأمان .

Boy:

My dad and I had an exciting adventure last Saturday. We went camping in a beautiful bay which is not far from where we live. After we had put up our tent on the beach, we went for a walk in the hills around the bay. Then we went fishing to catch some food for our dinner. We cooked the fish over the campfire and then we told adventure stories and sang some songs. After we had watched the sunset, we went straight to sleep.

Then suddenly I was woken up by the sound of waves against the tent. The tide had come in and we were nearly in the sea. I woke my dad up and we quickly took down the tent, packed up the car, and drove home. We were a bit wet and cold, but after we had got home and had a hot drink, we started laughing about our adventure. We've decided we'll go to a campsite next time.

This is a sport that started in 1979 in Australia. You have to turn around very quickly in a small circle and then throw a fish as far as you can. People got the idea from watching fishermen who used to throw fish off their boats when they had caught too many. In the past, they used to use real fish, but today they use rubber ones.

Dennis Turville made this extreme sport popular in the USA in the 1970s. People climb, slide, abseil and jump to follow a fast river through a canyon. It is dangerous so people must go canyoning with an expert. Today, it is popular in many countries such as France, America and Jordan
