

Reading Comprehension + Questions

الصف الثالث – English – Units 7 & 8

Reading Passage: Look at the Stars

Last night, Adam and his sister went to the garden. They looked up at the sky. The stars were shining and the moon was big and round. Adam said, "Look! I see a star that moves!"

His sister said, "That is not a star. It's a plane!"

They laughed and counted the stars together. Adam saw a shooting star and made a wish.
