-

E. Writing (6 marks)

Write 5–6 sentences about an invention you like. Mention:

- What it is
- Who invented it (if known)
- Why you like it
- How it helps people

✓ Model Answer:

I like the mobile phone. It was invented by Martin Cooper. I use it every day to call my friends and family. It helps people stay connected and learn new things. I also use it for studying and watching videos. It's a very useful invention.
