الفقرة الأولى

A Time I Helped Someone

النص للتذكير:

Last winter, I was walking home from school when I saw an old man trying to carry heavy bags. He looked very tired and was moving slowly. I ran to him and offered to help. He smiled and said, "Thank you, young man." I carried the bags with him to his house, which was only five minutes away. He told me stories about his life and how he used to be a teacher. Before I left, he gave me a candy and said I had a kind heart. That moment made me feel happy and proud. Helping others is always the right thing to do.

الفقرة الثانية: A Trip to Petra

النص للتذكير:

I am planning a trip to Petra with my family next month. We will travel by car from Amman early in the morning. When we arrive, we will walk through the Siq, a narrow path between tall rocks. Then, we will see the beautiful Treasury, one of the most famous places in Petra. We will also explore the Royal Tombs and climb up to the Monastery. I will take many photos and learn about the history of the Nabataeans. It will be a long but exciting day. I think Petra is a wonderful place to visit and a part of Jordan's amazing heritage.

2. What is the Siq?
3. What are two places the writer will see in Petra?
