ARLO

I'm twelve years old. I've got dark, curly hair. I'm responsible and I never feel lazy – I've got a lot of energy! People say I'm a friendly person because I like to meet new people. I love all kinds of sports, too. It's my favourite thing in the world. I like football and running, and I'm tall, so basketball is one of my best sports. I started playing for the school team this year.

I just want to do my best, that's all! I'm also good at learning languages because I've travelled a lot. I love learning about the world, and I'm confident about meeting new people. I can speak English, Spanish and I'm learning Japanese!

I like nature, and I care about animals and plants. I love computers, too, so I designed the WOW! Magazine. I'm also a bit untidy—my room is sometimes a mess – but I want to help at home more often.
