Man : This long-sleeved jumper with wide sleeves is one of my favourites. It's incredibly comfortable and it matches perfectly with these loose-fitting trousers. I always choose clothes made from natural fabrics like cotton and wool because they're very soft and easy to look after. I prefer clothes in plain colours to patterns like polka dots or paisley. When I want to look more stylish, I wear this outfit with a wide-brimmed hat and a shoulder bag.

I have short dark-brown hair and a beard and I usually dress casually. I think my clothes match my appearance. My favourite piece of clothing is my black leather jacket and I choose my other clothes to go with that. For my daily college routine, I often wear dark-blue jeans with a classic belt. Today I'm wearing a v-necked T-shirt and a hoodie. I sometimes wear the red and white checked hattah that my friend from Jordan gave me. I'm not really into logos or patterns on my clothes. I'm also wearing vintage sunglasses and trainers, and I keep all the things I need for the day in my yellow backpack. This is what I like to wear on weekdays.
