Dear friend,

Hi! How are you ? Hope you read my letter and you are doing well.

Today I am going to write to you about my favorite free time activities.

I love reading ,swimming and hiking. But the one I love the most is swimming. I usually go swimming with my friends. Sometimes in the sea and sometimes in the swimming pools. We go there once a week and we spend great time together. Swimming is healthy and makes our bodies strong .It is a perfect sport. Besides ,it is fun.

Write to me about your favorite activities .Maybe we share some of them!

Hope to hear from you soon.

Best regards to your family.

Yours,

Azza
