

Let's Write!

1 Brainstorm

Let's think about ideas together.

2 Plan

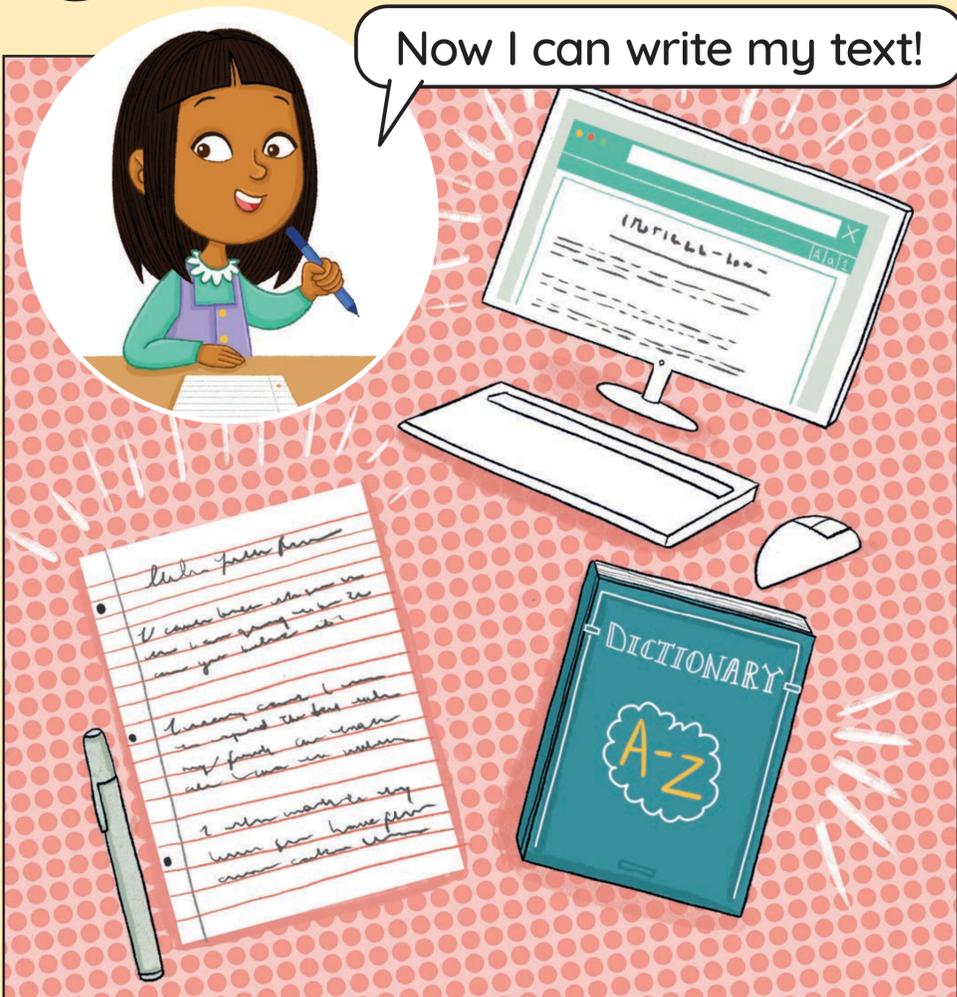

Now I need to choose and order my best ideas.

What information do I need to include for this text type?
What language do I need to use?

3 Write

Now I can write my text!

Write a paragraph for each idea.
Use a dictionary.

4 Check and revise

Let's check and correct our work!

We can help each other.

- ✓ Are my ideas clear?
- ✓ Are my ideas in the best order?
- ✓ Can I use more interesting words: nouns, verbs, adjectives, adverbs?
- ✓ Have I included the vocabulary and grammar?
- ✓ Have I checked my spelling and punctuation?
