#### D. Reading (10 marks)

اقرأ النص ثم أجب:

Yesterday, Samir helped his parents at home. First, he swept the floor in the kitchen and put away the clothes in his room. Then he cooked the dinner with his mother. They made rice and vegetables. After that, Samir watered the plants in the garden. When his father came home, Samir had already set the table. His parents were very happy and said the food tasted great!

أجب:

23. What did Samir sweep?  
24. What did he cook?  
25. What did he do in the garden?  
26. What had he already done before his father came?  
27. Did his parents like the food?

---
