---

## C. Reading Comprehension

Read the paragraph and answer the questions.

**Text:**

Traveling by air is becoming more popular every year. Many people enjoy air travel because it is fast and convenient. However, passengers must follow many rules, such as checking in early and going through security. Some travelers prefer road trips because they allow more freedom, but air travel remains the best option for long distances.

9. Why is air travel becoming more popular?

✓ Because it is fast and convenient

10. What is one rule passengers must follow?

✓ Check in early / go through security

11. Why do some people prefer road trips?

✓ Because they allow more freedom

12. For which type of distance is air travel the best option?

✓ Long distances

---

#### D. Writing

13. Write 3–4 sentences about a trip you took and what you enjoyed the most.

#### Model Answer:

Last year, I travelled to Aqaba with my family. I enjoyed the beautiful beaches and the warm weather. We went swimming and took a boat trip, which was the best part of the journey. It was one of my favourite holidays.

---

#### E. Speaking (Teacher-Assessed)

14. Talk about why people travel and the different types of transportation they use.
