● (READING) القسم الثالث: الفهم القرائي

النص:

Last year, a small town became the center of international attention after a photo went viral online. The picture showed a huge wild animal walking through the streets at night. Many people believed it, and the story quickly appeared on several news websites. However, a local reporter decided to investigate. After checking security cameras and interviewing residents, she discovered that the photo had been digitally edited. The “animal” was actually added using computer software. The reporter published the truth the next day, and the town newspaper became famous for exposing the fake news. The story showed how easily people can be fooled by images on the Internet and how important it is to verify information before sharing it.

---

**● (WRITING – Story writing) القسم الرابع: الكتابة**

اكتب قصة قصيرة (٦-٨ جمل) تبدأ بالجملة التالية:

**“It was late at night when I heard a strange noise outside...”**

★ نموذج إجابة:

It was late at night when I heard a strange noise outside. I looked out of the window, but the street was completely empty. Curious and a little frightened, I went to check the backyard. Suddenly, I saw a shadow move quickly behind the trees. I grabbed my phone and turned on the flashlight. To my surprise, it was only a small cat that had knocked over a trash bin. I laughed at myself for getting scared, and I went back inside feeling relieved. It turned out to be nothing, but it made a great story to tell my friends the next day.
