.....
.....

Question Six: *Learning a language is considered to be important to acknowledge others. Suggest three benefits of learning a language.*

.....
.....

Answers:

- Question Two:** (any two) • facts are exaggerated • stereotypes and overgeneralisations
• little or no respect for different opinions • language is dramatic or emotive
• quotation marks to indicate the writer does not agree

Question Three: (student's answer)

Question Four: (any two)

- Focus on getting across just one key message. Everything you say should clearly relate to this.
- Plan a strong beginning and ending. Practise exactly what you're going to say at these points.
- It's vital to connect with the audience. You can do this through:–
 - keeping good eye contact
 - engaging them with some surprising facts, saying something funny, or telling a personal anecdote
 - making your voice sound enthusiastic
 - using visual aids and props.

Question Five: (any two)

- 1 Think of lots of possible arguments to support your statement.
- 2 Analyse the arguments to see how strong they are, and adapt them as needed.
- 3 Back up your arguments with good reasons and examples or research.
- 4 Make your arguments persuasive, but avoid being overly emotional.
- 5 Keep your points relevant.
- 6 Don't exaggerate or make wild claims.

Question Six: (student's answer)
