

Activity: Let's Talk About Animals

Name as many animals as you can in one minute.

What is your favourite animal?
Why?

What wild animals can you find
in the UAE?

Compare wild animals found in the UAE (e.g., Arabian oryx, sand cat) with animals from other regions.

Speaking exam: Create a poster, presentation about any animal of your choice... Remember full sentences!

Choose an animal and create a fact file.

Animal Fact File

This is a bear.

It has fur and big paws.

It can swim but it can't fly.

A bear can climb trees because it has claws.

What is your animal?

What body parts does your animal have?

What can your animal do? Why?

What habitat does your animal live in?
How do they survive

Example of what they have learnt...

Choose an animal and describe it.

Did You Know!
We can say *why* something happens by using 'because'.

This is an eagle.

It has wings, feathers and a beak.

It can fly but it can't swim.

An eagle can fly because it has wings and feathers.

Show curiosity and confidence when describing favorite animals.
