Q.1-Use the information in the story to answer the questions below.

Kids in the town were excited. They were excited because they were getting a playground. The town never had a playground before. The new playground looked fun! There was a tall ladder to climb up. Then you could take the slide down. It was very fast. There was another slide, too. It went around in a curve. You could go straight across the swinging bridge. There was a tunnel to crawl through under the slide. If you climbed the stairs, you could go left to the fireman's pole. You could also go right to the rope ladder. On the swings you could get pushed very high! There were also see-saws that could take you very low. The playground was so fun now! All the kids enjoyed it.
