This is the most famous castle in Scotland. It is used in lots of films and posters as well as on biscuit tins. The castle is on a lush, green island, surrounded by water and huge mountains. To get to the castle you must use the bridge. The area is famous for its beautiful scenery and interesting animals.

2

The castle is very popular with tourists. It is smaller than Edinburgh castle, but it is more beautiful. Some of the local animals are very interesting. There are large deer on the hills and lots of colourful birds. There are also dolphins and otters in the water. If you are lucky, you may see the Northern Lights, which are very colourful and turn the sky green and purple and orange.

3

I think this is the most beautiful place I've ever seen. I'm not very keen on the animals, but I would like to walk on the mountains, sleep in the castle and hopefully see the Northern Lights. I think it would be very exciting.
