Reading 1

Hassan is seventeen years old. His favorite school subject is history because he is interested in reading about Qatar's past. He also loves animals. Every Friday he goes walking in the desert. He takes photographs of birds and animals. Sometimes he has to wait for a long time to take a photograph, but he is very patient. His favorite animal is the Oryx. Next year he is going to take his last school exam. If he passes, he is going to go to university to study about animals. He wants to be a zoologist.

His friend Ali is sixteen years old. He is quite friendly and hard-working. He knows lots of people and he passed all his exams last year. At school, he is good at languages. He is not very good at science or mathematics. When he leaves school, he is going to study English at university. After that, he is going to take advanced translation exams because he wants to be a translator.
