

Unit 4 – Camouflage

Paragraph Writing

The animal hiding in the picture is a cheetah. It lives in the forests. It hides dry tree leaves that have the same color and texture of its spots. It eats other animals that live in the jungle. It eats animals like rabbits, zebra and gazelles. Its camouflage helps the cheetah to hide and then catch its prey. It is very fast and very strong. It is amazing!

Write about camouflage

Animals use camouflage to hide and stay safe. Camouflage means that the colours and patterns on an animal's body are the same as the place the animal hide. When an animal hides it can protect itself from other dangerous animals. It can also attack its preys easily. Camouflage is amazing.

Look at the pictures and write about an animal that has camouflage.

Answer the questions.

- Where does it live?
- Where does it hide?
- What does it eat?
