Our School Trip

We were at the Children's Museum from nine o'clock to one o'clock. My friends and I enjoyed it very much. My mother and father are going to take me there again in the holidays. I'm going to show them my favourite part of the museum. It's in the 'stars and space' room. You go inside a little planetarium and look up. Then you can see the planets and lots of stars- it's great. I liked the museum shop, too. I bought a book about the planets. My favourite planet is Jupiter. It's the biggest planet and it's got more than fifty moons! Jupiter is very colourful but I think the Earth is the most beautiful planet.

We're going to have some lessons about space next week. We're going to learn about the planets and we're going to look at some models and draw some pictures. I like this subject.

Dear Raed,

We've just been to Aqaba Traditional Arts Festival. It was great! There were lots of stalls and different crafts. All the crafts at the festival were from Jordan. On the mosaic stand there were lots of different coloured mosaics. My mum bought a small mosaic for our house. It's great. My sister Mariam liked the jewellery. She liked the traditional dresses with long sleeves. There were scarves, too. They were very beautiful.

Lots of people were at the festival with their families. There's also a water festival in Aqaba. I'd like to go to Aqaba Water Festival one day. I'd like to go to Aqaba Traditional Arts Festival again. In my opinion, it's the best festival in Jordan.

Visit the Roman Theatre in Amman

Welcome to the Roman Theatre in Amman, one of the most amazing sights in the city. It was built in the second century CE (Common Era) in what was the Roman city of Philadelphia.

The theatre was divided into three important parts: important people sat in the part nearest the stage and soldiers sat further away; ordinary people sat far away at the top of the theatre but because the theatre was so well designed they could still see and hear the actors.

Near the stage you will find the Jordanian Museum of Popular Traditions, and the Amman Folklore Museum where you can see traditional costumes and handicrafts.

You can get there on foot from the centre of downtown, the modern part of Amman or get a taxi.
