.....
- 4- No girl is as beautiful as my sister. (My sister)
.....

4) Read the following passage and answer the questions below:

Water is very important in our life. We need it for drinking, washing, cooking, watering fields and getting electricity. We should not use it carelessly. Careless people use it badly. Some of them use too much water to wash their cars. Others leave taps open, day and night. Children need to know how to use water carefully. Parents and teachers have to teach their children that water can help us turn the desert into green land to grow more crops. To save water, you must

switch taps off when you finish using them. Don't waste too much water on washing things. Always remember that water equals life.

A) Answer the following questions:

- 1- What do we need water for?
- 2- How do careless people use water?

B) Choose the correct answer:

- 3- We should use water (carelessly - carefully - secretly).
