General Notes

- In the overview, the duration for each module is from 14 to 15 blocks .
- **SIX** modules will be taught in the second semester starting from module 5 till 10.
- Teachers' notes document provides the key answers, ideas and strategies for teaching.
- The cover page of each module includes the standards' content and numbers.
- Focus on the competencies that are represented in symbols next to each activity in the book. Kindly make sure to tick the targeted competency in the lesson plan template.
- CLIL stands for "Content and Language Integrated Learning "which integrates subjects such as science, and social studies in English . In Top Stars 6B, **Three** CLIL lessons are covered.
- We highly recommend that 'Round Up' and 'Extra Practice' lessons are given after Top Time/or CLIL, as their main purpose is to consolidate the standards that have been tackled throughout the whole module.
- 'Top time' refers to texts that tackle Qatari culture and other countries.
- Refer back to the " Grammar Reference" section to focus on what students need to acquire.
- Kindly refer back to the main focus and the **suggested** number of blocks columns in the semester overview for each lesson.
- Prepare supplementary resources such as flashcards, powerpoints and videos etc... to meet the needs of the students.
- Refer back to the **STORY (Gulliver in Lilliput)** on pages 148 to 151 as an extra reading activity to be tackled during the time allocated for clubs in your school.
- During mid- term exam ,you are supposed to **continue teaching module 8** to avoid any delay .
