Fahad

In Qatar, people love football. It is the most popular sport in my country. Our National team, Al-Annabi (the Maroons) wear the white and dark red colours of the Qatari flag. My country hosted the Asian Cup two times, in 1988 and 2011, and it won the gold medal in football at the Asian Games in Doha in 2006. I can't wait for the 2022 FIFA World Cup in Qatar!

Dolphins are very intelligent. They are more intelligent than other sea animals or fish, like the shark. Did you know that dolphins use their own type of language? They can talk to each other, just like people! Dolphins are very friendly, too. They like to play, jump and swim around boats.
