#### Summer Holidays

I always enjoy summer, I like to relax and forget about school. I don't have to wake up early and I can see my friends any time I want.

My holidays are usually with my parents. We go different places in Britain and sometimes abroad. In Britain, I like going to Devon, Somerset and Scotland- but my favorite place of all is Yorkshire. It has a lovely countryside and fantastic old buildings. The only problem is the weather!

Last summer, I had two holidays. One was in Somerset, in a little village by the sea, and another was in Naples in Italy.

It's hot in the United States in summer. During summer we love to swim, lie in the sun, go camping and spend nights at our friends' houses. We usually go somewhere with our parents. Last year we went to California for the first part of summer and then to Disneyland. We also looked at international stars in Los Angeles. After a rest, we went camping in Maine with our mum, sister and a friend. We played on the beaches and went sailing.
