

## Listen to Saif and Hamad talking about Saif's favourite bugs. Fill in the gaps with the correct number.

**Hamad:** Hi, Saif. We learned about amazing bugs in school today. Now, I want to learn more!

**Saif:** Great. I love bugs. Spiders are my favourite.

**Hamad:** Yuck! I'm scared of spiders.

**Saif:** Spiders are usually friendly. In fact, there are usually 1. \_\_\_\_ spiders living in a house.

**Hamad:** Uh oh! What's your favourite spider?

**Saif:** Jumping spiders are my favourite. Some can jump more than 2. \_\_\_\_ cm.

**Hamad:** Wow! That's a very long jump.

**Saif:** Talking of long. The longest insect in the world is a stick insect.

**Hamad:** How long is it?

**Saif:** They can be 3. \_\_\_\_ cm long.

**Hamad:** Great fact! How many types of insect live in the UAE?

**Saif:** In the UAE, there are between 5 and 4. \_\_\_\_ thousand types of insect!

## Worksheet\_G3\_AP2.2

**Hamad:** That's a lot! What's the prettiest insect?

**Saif:** That's easy. I think the butterfly is the prettiest insect.

**Hamad:** I agree, I counted 5. \_\_\_\_ butterflies in Safa Park last year.

**Mark:** / 5
