Sara: That's amazing. My dad bought me a new ruler.

Mona: That's exciting. Let's measure things.

Sara: Great idea. Let's measure your pencil case first.

Mona: Okay... Can I use your ruler?

Sara: Sure. Of course.

Mona: What a surprise! My pencil case is shorter than your ruler. My pencil case is 15cm long.

Sara: Really? How wide is it?

Mona: I think it's 4cm wide. I can put all my coloured pencils in it.

Sara: Haha. You do have a lot of coloured pencils.

Mona: What are these?

Sara: Oh! Those are my paintbrushes. I know they are 1cm wide.

Mona: 1cm! They are very wide. How long are your paintbrushes?

Sara: I think they are 10cm long. Let's measure and check...

Mona: Yes, you are right they are 10cm long.

Sara: I knew it!

Mona: Great. They can fit in my new pencil case!

Sara: Hey! They're my paintbrushes.

Sara and Mona: [laughter]
