

Module 8 (In the future)

Name: Shreen F. S. M. Class: _____ Total marks 5 / 5

Ramadan

Hi , My name is Mona .Next month, there is going to be a new moon and Ramadan is going to start .Ramadan is the ninth month in the lunar calendar and it is a happy time. For one month we are not going to eat or drink anything from sunrise to sunset .Every day at sunset ,I am going to have a meal (iftar) with my family .First ,we are going to eat dates and then we are going to eat plenty of other things :meat ,rice and other traditional dishes . They all smell and taste delicious! Before the sunrises, we are going to have one more meal (suhoor).During Ramadan, families get together to eat and give presents .It is a time for all people to do good things: for example, help the poor by giving them food .Everyone is very polite and happy and this makes Ramadan a very special time.

1-Choose the correct answer

1- When is Ramadan?

- A- It is the seventh month of the lunar calendar.
- B- It is the eighth month of the lunar calendar.
- ☒ C- It is the ninth month of the lunar calendar.

Reading quiz – Mod 9

1- Read the text and answer the questions:

Monkeys are interesting animals. They have got hair on their body and they have got a tail. They have a face similar to human face.

They are generally vegetarian so they like fruits and vegetables. They like bananas very much. But they can eat insects, too.

They are intelligent animals. They can use stones and they can peel fruits. Scientists teach them human language and they can understand it but they can't speak it.

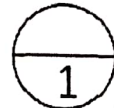

They are social animals. They have got tribes. They live in rainforests and they sleep on trees. Sometimes, they work together and they steal their food from humans! They are intelligent, funny and amazing animals.

1. Choose the correct answer:

1. What is the type of this text?

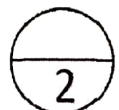

- a. narrative text
- b. expository text
- c. instructional text
- d. informational text

2. Answer the questions:-
