Grammar Practice Book

MACMILLAN

A note to teachers, parents and children

Welcome to the *English World* Level 4 Grammar Practice Book. In this book you will find a variety of activities which practise the grammar points in Pupil's Book 4 and Workbook 4. There are also activities which practise writing skills and phonics/spelling. These activities can be used in class or for homework.

There is a unit in the Grammar Practice Book for each unit in the Pupil's Book and the Workbook. There are three pages in each unit:

- **Page 1 of each unit** practises the **main grammar point** of the unit.
- **Page 2 of each unit** practises the **Grammar in Conversation** point.
- **Page 3 of each unit** has a **Grammar Band** activity, which practises the grammar points from pages 1 and 2; and a *Use of English* activity which practises the content of the Workbook *Use of English* page.

The **Review pages** practise the **grammar** and the phonics and spelling from the previous three units.

Each grammar activity in the Review units has a score out of 5. The phonics and spelling activity has a score out of 10. This gives a total score of 35. The children write their score for the Review pages in a box on the page. They can assess their level of achievement by reading the comments in the **Score Box**.

When all the activities in each unit are complete, the Grammar Practice Book will be a useful reference and revision aid for the children. The series of Grammar Practice Books builds up into a complete record of the grammar in *English World*.

The children can keep their Grammar Practice Books and use them for reference in later levels of *English World*. In this way, they develop good study skills and make an important step to becoming independent learners.
