Read the title of the poem. Do you know another word that means the same as 'kids'?

A lot of kids

There are a lot of kids
Living in my apartment building
And a lot of apartment buildings on my street
And a lot of streets in this city
And cities in this country
And a lot of countries in the world.

So I wonder if somewhere there's a kid I've never met
Living in some building on some street
In some city and country I'll never know –
And I wonder if that kid and I might be best friends
If we ever met.
