7- How does Hamad feel when he sees the lions?

- a) not happy      b) excited      c) sad      d)hot

#### B. Read the following text carefully, and then answer the questions:

The climate of the UAE generally is hot and dry. The hottest months are July and August; we can say that there are four seasons in the UAE. Summer starts in June and

ends in September. Autumn is from October to the beginning of December. Winter lasts from December to February. Winter is usually warm in the daytime, but it is a little cold at night. There is always a little rain, but sometimes there is a lot. Spring is from March to the end of May. The average rainfall is from 100 mm. to 250 mm. in one year. There is often no rain at all in June, July, August and September. The average temperature in summer is around 40 degrees centigrade, but sometimes it rises up to 48 degrees centigrade in the daytime. Average temperature is 20 in the middle of winter and sometimes it goes down to zero.
