The screenshot shows the WordItOut website interface. The browser address bar displays <https://worditout.com/word-cloud/create>. The navigation bar includes the WordItOut logo, a '+ Create' button, and links for 'Discover' and 'Community'. Below the navigation bar, there are three tabs: 'Normal text', 'No filter', and 'Table'. A sidebar on the left features an advertisement for 'VAT-Compliant Accounting Software' by Zoho Books, with a 'TRY FOR FREE' button. The main content area has a large text input field with the placeholder text 'Original text'. Below this field, there is a checkbox labeled 'Automatically detect other source types' which is currently unchecked. A green 'Generate' button is located at the bottom right of the main content area. Two yellow callout boxes with Arabic text are overlaid on the image: one pointing to the 'Create' button and another pointing to the 'Generate' button. At the bottom center, there is a Telegram logo and the URL <https://t.me/tecteaching>.

The screenshot displays the WordItOut website's 'Create word clouds' interface. On the left, a sidebar contains options: 'MAKE A WORD CLOUD', 'Regenerate', 'Font', 'Colours', 'Layout', 'Size', 'Word list', 'Original source', and 'Save'. The main area shows settings for 'Background colour' (with a 'Random on regenerate' toggle), 'Word colour range' (with a 'from' and 'to' color picker), 'Colour bl' (with a 'rainbow' dropdown), 'Vary word' (with a 'randomly' dropdown), and 'Number of' (with a '5' input field). A color palette and a color wheel are also visible. A word cloud in the background contains Arabic words like 'الأمل', 'الكفاح', 'الشفافية', 'الثقافة', 'المتابعة', 'الجد الصبر', 'التميز', 'المساعدة', and 'الط'. Three yellow callout boxes with arrows point to specific features: the top box points to the 'Random on regenerate' toggle, the middle box points to the 'Background colour' section, and the bottom box points to the 'Word colour range' section.
