Please also refer to the **Teaching Strategies** section of the Teacher's Guide (pages 6 to 10).

Resources	<b>Starter</b>
<b>Learner's Book page 85</b>	<b>Talk about it: Activity 1</b> 1. Ask learners: <i>What do you like to do in the school holidays?</i> 2. Practise using structures that learners have studied throughout the term. Ask and answer questions such as: <i>Do you go swimming in the summer holidays? How often? Who do you go with? Have you ever been to a summer camp? Did you go last year? Are you going on holiday this year?</i> 3. Write a list of activities on the board that learners like to do in the school holidays. This will be used later in the lesson. 4. Discuss the questions noted in the Learner's Book and identify any similarities and differences in opinion.
<b>Resources</b>	<b>Main Activity</b>
<b>Learner's Book page 85</b> <b>Audio Track 32</b>	<b>Listen: Activity 2</b> 1. Focus on the pictures of the children and the activities listed in the box. 2. Encourage learners to make predictions about what the children do in the school holidays. 3. Play the audio for learners to check their predictions and confirm the correct answers. <b>Feedback</b> Learners check their answers with a friend. Then compare answers as a whole class. Write the answers on the board for support if needed. <b>Answers</b> Ana: spend time with grandparents, go to the park Luis: go camping Mohand: help in a shop, play football Carly: go to a sports camp
	<b>Differentiation activities (Support):</b> 1. Learners may require the audio to be read aloud in a clear, slow voice. <b>Differentiation activities (Stretch):</b> 1. Ask learners to write a sentence for each of the speakers, saying what they do during the school holidays.
<b>Learner's Book page 85</b>	<b>Talk: Activity 3</b> 1. Draw attention to the list of activities on the board that learners came up with at the beginning of the lesson. 2. Ask learners to work in pairs. One learner acts out a holiday activity for their partner to guess. They take turns acting out and guessing.

<b>Resources</b>	<b>Starter</b> <ol style="list-style-type: none"><li>1. Ask learners to make a circle facing each other.</li><li>2. Ask them to say one sentence about an activity they could do during school holidays.</li><li>3. Encourage learners to try not to repeat the activities.</li><li>4. Encourage them to follow the previous learner's reply as quickly as possible.</li></ol>
<b>Resources</b> <b>Learner's Book page 86</b>	<b>Main Activity</b> <b>Word Study: Activity 1</b> <ol style="list-style-type: none"><li>1. Write the headings <i>Indoors</i> and <i>Outdoors</i> on the board.</li><li>2. Ask learners for suggestions about where they do certain activities. Establish that some activities would fall under both headings.</li><li>3. Discuss whether they think there are differences between the UAE and other countries and what these might be.</li><li>4. Look at the activities in the box and discuss if learners would do the activities indoors, outdoors or both.</li></ol> <b>Feedback</b> Open class feedback. <b>Answers</b> Possible answers Indoors: <i>do jobs around the house, help in the shop</i> Outdoors: <i>go on a day trip, go to the park, cook on the campfire, go out on our bikes</i> Both: <i>spend time with our grandparents, go to sports camp</i>

Resources	<b>Starter</b>
	<ol style="list-style-type: none"><li>1. Ask learners to make two lines facing each other.</li><li>2. Tell them to imagine they are going to an adventure camp.</li><li>3. Ask each learner to say a sentence about what they will do to prepare for it; for example: <i>I will bring shorts</i>.</li><li>4. Encourage them to use <i>will</i>.</li><li>5. Once each learner in the pair has exchanged their information, the first learner in one column moves to the end of their line and all learners in that line move down one space.</li><li>6. Therefore, each learner has a new partner each time they speak and language production is maximised.</li><li>7. Encourage learners to change their sentences with each new partner.</li></ol>
<b>Resources</b>	<b>Main Activity</b>
<b>Learner's Book</b> <b>page 88</b> <b>Audio Track 35</b>	<p><b>Listen: Activity 1</b></p> <ol style="list-style-type: none"><li>1. Before listening, discuss key words that the boys might use to talk about each advertisement.</li><li>2. This will help learners make predictions and listen only for specific information without worrying about challenging words.</li><li>3. Learners listen to the audio to find out which camp is being discussed and what the problem is.</li></ol> <p><b>Feedback</b></p> <p>Open class feedback.</p> <p><b>Answers</b></p> <p>They are talking about a sports camp. One of the boys is worried because he's not very good at sport (football, basketball or hockey).</p>
<b>Learner's Book</b> <b>page 88</b> <b>Audio Track 35</b>	<p><b>Activity 2</b></p> <ol style="list-style-type: none"><li>1.
