Honorable Hadith

البر حسن الخلق

It was reported that An-Nawas bin Sam'an, May Allah be pleased with him, said that the Prophet, Peace be upon him, said: "Righteousness is in good character." (Narrated by Muslim)

I explain the meanings of terms mentioned in the Hadith:

Righteousness: all good deeds, both manifest and hidden.

Good character: having good qualities.

The overall meaning of the Hadith:

The Prophet, Peace be upon him, commands us to treat others kindly in both word and deed. For example, we should obey our parents, show respect for relatives, avoid disturbing our neighbors and be polite with the teacher. These are some of the good qualities that pleases Allah, Glory be to Him.
