

**READING****(5 marks)****Read and complete****Journalist:** Why do some people do dangerous activities and jobs?**Dr. Fred:** It is because there are two elements in danger: one is fear, the other is the need to defeat fear. When people defeat fear, **they** feel a physical reaction.**Journalist:** So, do we always need to do dangerous activities to get this feeling?**Dr. Fred:** Not at all! Take a journalist, a football player or even an artist. They probably do not have to take physical risks. But the artist, the rock climber or the mountain biker feel the same physical enjoyment as a footballer after scoring a goal.
