Read the text carefully and then answer the questions that follow:

* “Hello! Welcome to the Halima Al-Sadia Centre ! I’m Um Issam. Why did I set up this centre? I began collecting traditional objects and clothes forty-five years ago because I wanted to save our traditions. Twenty-five years ago, I started my own business. Later, I realised I could also help poor women to start their own businesses.”

* “People always liked the traditional clothes that I wore. This is how I got the idea to design clothes, accessories, small bags for mobile phones, small carpets and furniture. I knew how to make traditional handicrafts because I learnt the skills from my mother and grandmother. I watched my mother work from the time I was eight years old. My aim, however, is to protect our tradition.”

* “I didn’t want to keep my knowledge to myself. So, I decided to give courses on traditional crafts to poor women. The town municipality also helps me by providing all the materials we need.
