Welcome to *Bridge to Success*

Bridge to Success is a 12-grade course for learners of English as a second language (ESL). The 12 grades range from the beginning of cycle 1 to the end of cycle 3.

Bridge to Success Grade 5 consists of 12 thematic units of study, which include a range of activities, text types and objectives, split over three terms.

The materials reflect the following principles:

- **An Emirati focus, with an international perspective.** Specifically developed for young learners throughout the United Arab Emirates, the themes, situations and literature covered by *Bridge to Success* strive to reflect the Emirati context and encourage learners' curiosity about the wider world. This fosters respect and interest in other cultures and leads to awareness of global citizenship.
- **An enquiry-based, language-rich approach to learning.** *Bridge to Success* engages children as active, creative learners. As learners participate in a wide variety of curriculum-based activities, they simultaneously acquire content knowledge, develop critical thinking skills and practise English language and literacy. The materials incorporate a 'learning to learn' approach, helping children acquire skills and strategies that will help them approach new learning situations with confidence.

- **English for educational success.** To meet the challenges of the future, children need to develop facility with both conversational and academic English. From the earliest stage, *Bridge to Success* addresses both these competencies. *Bridge to Success* presents authentic listening and reading texts, writing tasks, and end-of-unit projects similar to those learners might encounter in English-medium and international schools.

This Activity Book provides additional support, reinforcement and practice of the Learner's Book. Comprehensive support for teachers is provided in the Teacher's Guide.

The following icons are used in this Activity Book:

- 1 pre-recorded listening activity
-  pairwork or small group speaking activity (not mediated by teacher)
-  write-in notebook activity
-  cross-curricular science activity
-  21st links to 21st Century Themes and/or Skills

We hope that you and your learners will enjoy using these materials as much as we enjoyed developing them for you.

- 1 Someone who works in science is called a _____.
- 2 Some scientists work in a _____. Others work outdoors or in hospitals.
- 3 Science is all about finding _____ ways of doing things.
- 4 An _____ is a test to help us learn something or see if something is true.
- 5 Scientists try to _____ new information about how the world works.
- 6 Some scientists work with doctors and patients to make _____ to treat illnesses.
- 7 Probably the most important _____ of the 20th century was the telephone.

Lesson 2 How does science work?

1 Time

Write the time in words and draw the hands on the clocks.

1 7.30 am

It's half past seven.

2 8.45 am

3 8.00 pm

4 4.00 am

2 Read

Read the text and put the sentences/phrases in the order they happen.

At 8 pm, six people arrive to help with the experiment. We call them the testers. They stay all night in the laboratory.

We ask them to do their first test on the computer.

At midnight, the testers go to bed. We put special machines on them. The machines tell us how they sleep.

At 4 am the testers wake up. We ask them to do another test on the computer. After that, the testers can't go back to sleep.

At half past seven, all the testers eat breakfast together.

At quarter to nine, it's time for the testers to do another test on the computer. That makes three tests!

- a The testers arrive.
- e The testers do their first test.
- b The testers do their second test.
- f Special machines for the testers
- c The testers do their third test.
- g The testers go to bed.
- d Breakfast time for the testers.

Lesson 3 The bird call experiment

1 Making predictions

Write your prediction for the result of the experiment.

I think that a _____ straw will make a _____ noise because _____.

2 Let's do it!

Record your results in the table.

	Straw 1	Straw 2	Straw 3
Medium:	_____	Short: _____	Long: _____
Type of noise	_____	_____	_____

3 Write

Write your findings. Complete the sentences below.

- 1 The highest noise was from straw _____.
- 2 The lowest noise was from straw _____.
- 3 What happened to the noise when you used a straw that was longer or shorter?

4 My prediction was correct/incorrect.

- 5 I learned that _____
-
- _____

Lesson 4 A new experiment

Experiment: Does the width of the straw change the noise made?

Fill in the gaps to write the instructions for your experiment.

Draw a picture to show what happens at each stage.

Instructions:

1

Take the three _____.

Cut them to _____ length.

Materials needed:

1 narrow _____

1 _____ straw

_____ wide straw

pair of _____

2

Squash them _____.

3

_____ the end of the each straw into a V.

4

_____ the V end of the narrow straw in your mouth.
Blow as _____ as you can.

5

_____ into the medium straw and then the wide straw.

6) _____ down the different noises each straw makes.

Lesson 5 Science in our lives

Speaking tip

Persuading others

To persuade others that you are right:

Make eye contact with the audience. Talk directly to them!

Stand up straight with your head up. Look confident and you will convince them!

Make sure you sound as if you care about your subject. If you don't care, the audience won't care either!

1 Present

Write down information for your persuasive presentation here.

My item: _____

Question	Information	Picture ideas
1 Has it saved lives?		
2 Has it changed how or where people live?		
3 Has it helped businesses?		
4 Would your life now be possible without it?		
5 Why is my item more important than the other items?		

Lesson 6 My learning

1 Can you remember?

Write five sentences using the science words in the box.
You must use at least one of the words in each sentence.

- 1 _____
- 2 _____
- 3 _____
- 4 _____
- 5 _____

experiment
invention
new
scientist
discover
medicine
laboratory

2 Time

Write the times in words.

1 7.15

-
-

2 11.45

-
-

3 4.00

-
-

4 7.30

-

3 Write

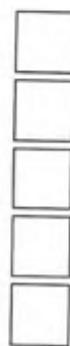

Write the words in the correct order to form instructions. Add punctuation and capital letters to each one.

- 1 a circle/on the paper/draw
- 2 into the jug/the oil/carefully pour
- 3 the scissors/to cut/use/the straw
- 4 for the visitor/the door/open

-
-
-
-

Look what I can do!

- I can use science words correctly in sentences.
- I can write about the time.
- I can persuade an audience.
- I can give instructions.
- I can make offers and requests and I can ask permission.

Lesson 7 Great scientists in history

1 Use of English

Add **who** or **which** to add the information to each sentence.

- 1 We liked the visitor _____ told us about science.
- 2 Omar went to the museum on the bus, _____ was very busy.
- 3 Meera read the book, _____ was about science.
- 4 He drove the car _____ went fastest.
- 5 They were the scientists _____ discovered the new bird.

2 Talk

Ibn Nafis used his sense of touch to feel the blood pumping around his body. We can use all our senses to help us to understand the world around us.

Match the picture of the body part to the words that show what we can do to find information.

touch see smell hear taste

touch

see

hear

smell

taste

What kind of information can you find using your senses?

Lesson 8 Ibn Nafis

15 1 Read and listen

Imagine you are a doctor. Listen to this letter from another doctor who has read Ibn Nafis's book. Read it again and then answer the questions below.

Dear Doctor,

I hope you and your family are well.

I have just read the new book by Ibn Nafis. It is about his idea of how the heart and lungs work together. Ibn Nafis's idea is one which will change medicine forever.

I will now change the way I look after many of my patients.

Would you like me to send a copy to you? I think we should discuss this great discovery.

Yours sincerely,

Doctor Yussuf al Harthi

Does Yussuf al Harthi like Ibn Nafis's idea? Underline the words in the text that show this.

2 21st Write

Write a letter replying to the doctor. The information in each bullet point will help you.

- Use a greeting to start the letter.

Dear ...

- Reply to his offer of the book.

Thank you for offering to send me a copy of the book. I would ...

- Tell him whether your family are well and ask about his family.

My family are all ...

- Make him an invitation to visit.

I would like to invite ...

- Tell him what you think of what he says about Ibn Nafis's book.

Ibn Nafis's book sounds ...

- Use a farewell to end the letter.

Yours ...

- Sign your name.

Lesson 9 Different types of science

1 Read

Read about three scientists from the UAE. What does each scientist study?

Dr Amal Al Ghaferi	Dr Habiba Alsafer
Works at: Masdar Institute	Works at: Khalifa University
Works on: Environment science – solar power and making or changing things so small they can only be seen with a microscope.	Works on: Medicine science – finding out how some illness is passed on in families, particularly in the UAE.
Has studied in: USA, UAE	Has studied in: USA, UK, Australia, UAE

Dr Nabil Bastaki
Works at: United Arab Emirates University
Works on: Engineering science – making robots that climb and walk that can go where it is difficult or dangerous for people to go.
Has studied in: UAE, USA

2 Write

Write a sentence about each scientist. Use linkers to add information.

- 1 Dr Amal Ghaferi _____
- 2 Dr Habiba Alsafer _____
- 3 Dr Nabil Bastaki _____
- 4 Imagine you are going to interview one of the scientists. Think of three questions you could ask them.
Why is science important?
What do you like about your job?

Speaking tip

Asking questions

Think about what sort of information you want to get.

- place Use **where**: **Where** did you go to school?
- time Use **when**: **When** did you go to university?
- people Use **who**: **Who** helped you to study?
- reason Use **why**: **Why** is science important?
- action or objects Use **what**: **What** do you like about your job?

Lesson 10 Great scientists today

1 Read and write

Match the sentences to the correct scientist. Fill in the gaps.

			
Dr Shinya Yamanaka	Professor Gebisa Ejeta	Professor Omar Yaghi	Dr Anita Sengupta

Matching information: Looking for key words

When you are trying to match information, look for key words. If you don't understand some of the other words, don't worry!

- 1 Sorghum feeds hundreds of millions of people across the world.
We need to grow more in places where it doesn't rain much.
- 2 One day, my work may give us fuel that doesn't hurt the planet.
- 3 I hope we can use the cells I found in my work to help people who are sick.
- 4 If we want to travel in space, we need to be able to bring a rocket down on other planets. I want to find out how.
- 5 I was born in Ethiopia.
- 6 I won a Nobel prize.
- 7 I work at NASA.
- 8 I was born in Jordan.

Lesson 11 Describing scientists

1 Read

Read about the scientists. Underline the facts. Circle the opinions.

Language tip

A **fact** is something that can be proved. Other people will agree it is true.

Mars is the fourth planet from the sun.

An **opinion** is something that someone believes. Other people may disagree whether it is true.

We should send astronauts to Mars.

1 I am Professor Walid. I study space. I am very clever and I have discovered three new stars. My students are sometimes lazy so I shout at them. They think I am rude and grumpy because I don't speak politely, but they just don't work enough!

2 I am Professor Yasser. I study insects. I want to stop insects from eating the plants we grow for food. When the work is going well, I am the happiest man in the world. When things go wrong in the laboratory, though, it is terrible and I can be anxious and weepy. Solving scientific problems is the most important thing, so I worry a lot.

3 I am Professor Zainab. I study new medicines. I am a jolly person, but I'm hard working too. I am very tough and like to make my students work hard. I have already thought of many new medicines to help others, which have been bought by medicine companies.

2 Antonyms

Match the opposites. Use your dictionary to help you.

rude

weak

clever

anxious

jolly

dry-eyed

lazy

calm

polite

hard-working

weepy

stupid

tough

miserable

Lesson 12 My learning

1 Adding information

Choose the correct words in bold to fill the gaps and complete the paragraph.

Ibn Nafis was a scientist ¹ **who/which** discovered how the heart and lungs work together. There were many famous scientists in history, like Ibn Nafis, ² **who/which** wrote letters to pass on new ideas.

Now many scientists work in teams. They like to share ideas with other people ³ **who/which** understand their work. Most scientists now don't write letters, ⁴ **who/which** is a slow process. They prefer to send emails, ⁵ **who/which** pass information quickly.

2 Write

Write three facts and three opinions. Share them with a partner. Do you agree?

Facts	Opinions
1 _____	1 _____
2 _____	2 _____
3 _____	3 _____

3 Talk

What makes a scientist important? Discuss with a partner.

Look what I can do!

- I can write a letter.
- I can use **who** and **which** to give more information about people and things.
- I can use linkers to add information to sentences.
- I can find and use opposites for adjectives.
- I can tell the difference between facts and opinions.

11

Famous people

Lesson 1 Special people

1 Word study

Complete the sentences with a job from the box.

explorer inventor scientist
artist business person

- 1 Louis Braille was the inventor of braille, a way of reading and writing for people who are blind.
- 2 Ibn Battuta was a famous Moroccan explorer. He travelled from northern Africa to China and back.
- 3 Mark Zuckerberg is a famous business person. He created Facebook.
- 4 Alexander Fleming was a famous scientist. He discovered penicillin, which is used to help people who are ill.
- 5 Leonardo Da Vinci was a famous artist. His most famous painting is the Mona Lisa.

Mark Zuckerberg

Ibn Battuta

Leonardo Da Vinci

2 Writing

Do you know any other special jobs?

Lesson 2 Special jobs

1 Vocabulary

Look at the people in the pictures and choose an adjective from Lesson 1 to describe each of them. You can use words more than once.

a _____

b _____

c _____

d _____

e _____

f _____

Use of English

When we are not sure about something, we can use **could** and **might**.

He **could be** a scientist. She **might not be** a scientist.

0%

can't be

might not be

might be/could be

100%

must be

2 Use of English

Complete the sentences with **can't**, **must**, **could** or **might**.

- 1 He's looking through a microscope. He must be a scientist.
- 2 She's going into the theatre. She be an actress.
- 3 The teacher has a British accent, so he be American.
- 4 He paints all the time so he an artist.
- 5 He's always playing the piano. He be a piano teacher.

Lesson 3 Famous people and their work

1 Read

Read the text and match headings a-d with each paragraph.

- a Life in space
- b Being an astronaut
- c Record time in space
- d The International Space Station

Have you ever dreamed of being an astronaut?

- Astronauts have difficult jobs. They are very brave, determined people who like danger. But astronauts today must also know how to use computers for life in space.
- Living in space can be difficult. The biggest problem is that everything floats – including you! It's impossible to sit, walk or lie in bed in space.

Strategy check:

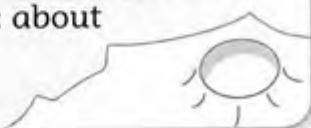

Matching headings to paragraphs

Tick the strategies which will help you match headings to paragraphs. Use the strategies to do Activity 2.

- Look at a heading and think about the key words you might find in the paragraph.
- Look for key words in each paragraph.
- Look for pictures.

- The International Space Station is the biggest object in space. It travels around Earth. At night, you can see it in the sky. The astronauts do lots of experiments both inside and outside the space station. Outside, the spacemen wear special clothes to protect them.

- Astronauts can spend many hours in space. Sergei Krikalev has spent the most time in space: about 2.2 years!

2 Read the text again and answer the questions.

- 1 Do all astronauts use computers? Yes, they do.
- 2 What can't you do in space? _____
- 3 What do astronauts wear? _____
- 4 Why is the astronaut Sergei Krikalev famous? _____

Lesson 4 A presentation about a famous person

1 Read

Read the notes on Ahmed Zewail and underline all the adjectives that describe him and his family.

Today I am going to talk about an amazing man, Ahmed Zewail. Ahmed is famous because he won the 1999 Nobel Prize in Chemistry. He was born in Egypt in 1946 and had a happy childhood. His father was generous and caring. His mother loved her children very much and Ahmed said that he loved her because she was kind and intelligent. Ahmed always wanted to be a scientist. He studied in Egypt and then he moved to the United States. He was a university professor of Chemistry and Physics.

2 Word study Using interesting adjectives

Match the adjectives in the box to the meanings 1–5.

caring amazing famous generous intelligent

Someone who ...

- 1 looks after others is caring.
- 2 gives a lot to others is _____.
- 3 knows many things is _____.
- 4 does something that everyone knows about is _____.
- 5 does something special and worth mentioning is _____.

Lesson 5 Making a good presentation

Use of English

Question tags

Our voice goes down when we check information we already know.

Ahmed Zewail **was** born in Egypt, **wasn't** he?

We make questions tags to check information like this:

Positive sentence: You are from Dubai, He was a president,	Negative question tag: aren't you? wasn't he?
Negative sentence: You don't like cheese, He didn't study medicine,	Positive question tag: do you? did he?

16 1 Listen

Complete the sentences with the correct question tag from the *Use of English* box. Then listen, check and repeat.

- 1 Ahmed Zewail was born in 1946, wasn't he ?
 - 2 He didn't study to be a teacher, did he ?
 - 3 His father was generous, wasn't he ?
 - 4 He didn't live in Canada, did he ?
 - 5 His mother was very kind to her children, wasn't she ?

2 Talk

Work in pairs: one of you is Ahmed Zewail and one of you is Jane Goodall. Imagine you are interviewing each other. Write three questions. Make some positive and some negative, then ask your friend your questions. For example:

Ahmed, you're Chinese, aren't you?

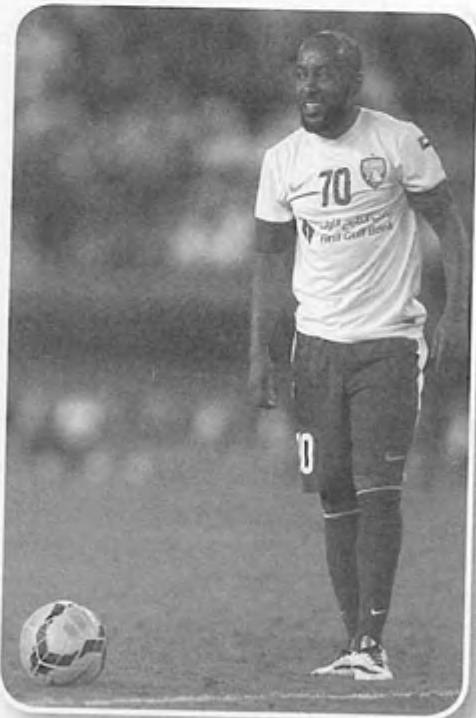

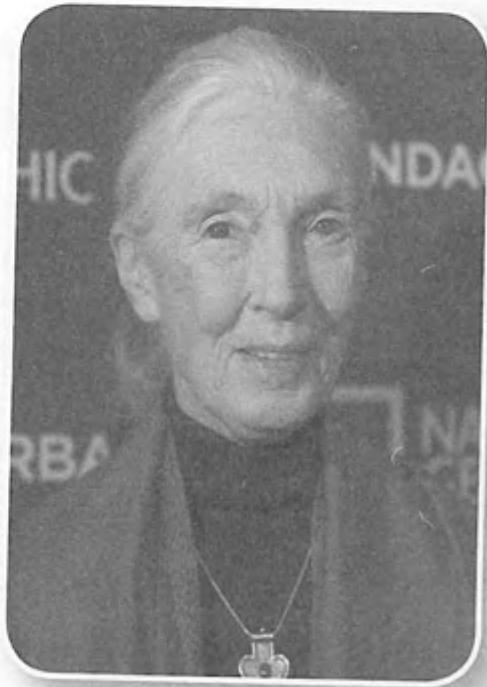

Jane, you work with gorillas, don't you?

Lesson 6 People I admire

1 Challenge

Look at the pictures below. Do you remember these famous people?
Choose one person and write one sentence about him or her.

Lesson 7 My learning

1 Use of English Describing people

Complete these sentences with **must**, **can't**, **might** or **could**.

- 1 I don't know where Hamdan lives but he _____ live near here because he comes to school on foot.
- 2 Did you hear that noise? I think there _____ be a thief downstairs. Call the police!
- 3 It _____ be a thief. All the doors and windows are locked. I think it _____ be the cat.
- 4 Look! There's water on the grass. It _____ be raining outside.
- 5 I have a lot of homework so I _____ be late for our football game.

- 2 Match a sentence in column A with a question tag in column B. Then ask your friend the questions.

A

- 1 You're a student,
- 2 Our teacher speaks English,
- 3 We have homework,
- 4 We didn't go to school last Friday,
- 5 You understand this lesson,

B

- a doesn't she?
- b did we?
- c don't you?
- d aren't you?
- e don't we?

Look what I can do!

- I can speak about famous people and their jobs.
- I can understand a text about a famous person.
- I can give a presentation about a famous person.
- I can ask questions to check information.

Lesson 8 A short biography

1 Read

Match the sentences to the correct pictures.

- 1 Tom was born on 17th June 1982.
- 2 When he was a child, he dreamed of climbing tall buildings.
- 3 During the summer holidays, he enjoyed climbing with his dad in the mountains.
- 4 When he was ten years old, he joined a climbing club, but one day he fell and broke his ankle.
- 5 Tom was very brave, so by the age of 20 he was climbing very big mountains.
- 6 In 2013, he went to the top of Mount Everest, the highest mountain in the world.

Lesson 9 Look what I've done!

1 Write

Look at the sentences and put them in the right box.

A good thing I've done	Why it was special
a Last week, I helped my friend with her homework.	

- a Last week, I helped my friend with her homework.
- b I helped my mother make a cake.
- c My friend was so happy and this made me happy too.
- d I finished all my homework by myself last night.
- e We made it for my sister's birthday.
- f When I was five years old, I learned how to count to 10 in English.
- g It was the first time I spoke English!
- h It was difficult, but the teacher said it was very good work.

Lesson 10 A great man

1 Word study

Look at the text about Sheikh Zayed in your Learner's Book.

Find words in the text which mean:

- 1 someone who gives to others _____
