Module 6 Homework (1) (Gr1)

Match words to pictures.

| | |
|-------|---|
| bike |  |
| kite |  |
| train |  |
| robot |  |
| ball |  |
| plane |  |
| boat |  |

Match sentences to pictures.

| | |
|---------------------------------|---|
| <p>I have got two cars.</p> |  Five toy trains are shown. Four are arranged in a horizontal row at the top, and one is centered below them. Each train consists of a blue engine with a black smokestack and three colorful passenger cars (green, purple, and pink). |
| <p>I have got five trains.</p> |  Two identical red hatchback cars are shown side-by-side. |
| <p>I have got a teddy bear.</p> |  Six colorful beach balls are arranged in a horizontal row. Each ball is divided into four quadrants of different colors: red, green, blue, and yellow. |
| <p>I have got four boats.</p> |  A single brown teddy bear is shown sitting upright. |
| <p>I have got six balls.</p> |  Seven identical green robots are arranged in a horizontal row. Each robot has a green head with a red antenna, a green body with a blue chest, and blue arms and legs. |
| <p>I have got seven robots.</p> |  Three identical white jet airplanes are shown in flight, angled upwards and to the right. |
| <p>I have got three planes.</p> |  Four identical sailboats are shown. Each has a blue hull, a yellow sail, and a red stripe on the sail. |
| <p>I have got two bikes.</p> |  Two identical pink bicycles are shown side-by-side. |

Read and answer.

Hi! I am Noora. These are my toys.
