Dear Sara,

It's been a month I haven't heard from you. I hope you are well. I had a terrible day at school yesterday. My friends and I were playing volleyball in the school yard when I suddenly fell and twisted my ankle. At first I didn't feel much pain, but later on it started hurting badly. I had difficulty walking so my friends helped me around. They took me to a hospital and stayed with me until my mom and dad arrived. The doctor said it was broken and I needed to rest for a month. We came home last night and I feel better now. This incident also made me realize how valuable friendships are. I don't know what I would do without them. So I want to say I feel very happy to have such good friends like you
