Christopher Columbus was born in 1451 in Genoa, Italy. He was a great explorer. He discovered America many years ago. Columbus was interested in exploring. His dream was to travel the seas all the way around the world. He sailed across the ocean by boat. He wanted to visit Asia because he hoped to find gold, spices, and other treasures.

He sailed from Spain with hundreds of men and three ships. Columbus was preparing himself to reach Asia in five weeks. But the men sailed for more than two months and did not see land, so many of them wanted to give up and go home.

Then, on October 12<sup>th</sup>, 1492, Columbus and his men landed on an island. They named the island San Salvador. The people of the island were very friendly. Columbus called these people “Indians.” But he was wrong. He was not in India or any other part of Asia. Instead, he found a New World.
