Introduction to UAE Phonics Programme

This course will provide learners with the essential language skills required to read and write with confidence. Through the materials provided, learners' literacy skills will be developed through interactive activities and independent learning. Term 2 materials focus on phonics, basic word groups and builds on this foundation throughout the course, supplemented with other essential skills for literacy.

Icons

There are some icons in the book that you will need to know.

The listening icon  shows that you have to listen to an audio track. The number shows which track to listen to.

The Phonics Song icon  shows that you have to listen to the Phonics Song.

The speaking icon  shows that you have to do a speaking activity.

The PCM icon  shows that you have to use one of the worksheets from the Teacher Handbook for the activity. The number shows which PCM to use.

Course Guide

Phonics Focus

Structured sets of phonemes and graphemes are an integral feature of the course and will be applied through a variety of methods of learning, including blending, segmenting, word families and rhyming. It is essential that phonics is practised and reinforced throughout the entirety of the course.

High Frequency Words

An awareness of the most commonly used High Frequency Words will be incorporated throughout the course. Recognition of these words will enable learners to become faster and more fluent readers.

Handwriting Practice

Learners are supported through the basics of letter formation and penmanship. The course aims to develop fine motor skills and provide learners with the ability to write independently and with confidence.

Sentence Structure

Syntax is reinforced through repetition and progressively challenging activities that provide learners with the tools needed to create their own sentences while continuing their language learning.

Reading Comprehension

Relatable reading tasks and comprehension activities have been designed to challenge learners and enhance listening, speaking and writing skills. Through reading comprehension learners will build on their vocabulary, practise pronunciation and develop grammar knowledge.
