How to protect your environment

There are many organizations that tell people what they can do to help the environment. We should save water. We should clean the parks. We should turn off the lights. We should recycle paper. We should plant trees, there will be more oxygen for everyone.

We shouldn't use plastic bags. We shouldn't throw rubbish everywhere. If we do that, we can help our environment.

country profile

Qatar is a beautiful country; Doha is the capital of Qatar.

Qatar is an Islamic country. Arabic is the official language of the country, it's very hot in summer and warm in winter, in Qatar you can see camels, sand, cats, and oryx. There are no rivers or mountain here, I like Qatar.

country profile

Australia is a beautiful country with mountains, beaches, forests, and deserts. The Great Barrier Reef is the biggest coral reef in the world. The highest mountain is Mount Kosciuszko. It is 2,228 m high. More than half of the country is desert. The Great Victoria Desert is the biggest desert in Australia.
