Reading:

Directions: Read the passage and answer the questions.

1. Qatar is a small country located in Western Asia and it has a small population. About 2.5 million people live there. Most of them live in or around the capital, Doha, which is the main center for culture and commerce. The rest of the country is mostly of desert except for some vegetation in the north. The climate, in general, is hot and humid in summer though the temperature decreases during the winter months.
2. The people of Qatar are very friendly and generous. They live in peace and harmony. They used to work in pearl hunting, but nowadays a lot of them work in trade and business. Some of them work in gas industry, which has a great effect on economy. The official language of Qatar is Arabic, but English is also widely spoken.
3. The country has some wonderful places for tourists to visit and plenty of activities to do. Tourists can see old forts and beautiful museums. They can also go shopping in big modern stores.
