A  Read the email. Why is Nusrat writing to Omar?

- a. because they are organising a day trip for some visitors from abroad.
- b. because they are planning a trip to England for their English class.
- c. because they are discussing where in Qatar they can go for a day trip.

Hi Omar,

Thanks for answering so quickly. The group of students from the UK will be here in five days, so we need to plan their trip ASAP!

You've got some great ideas. I really liked the kitesurfing plan, but I think some people might not want to do that. It could be dangerous, too. We need something that everybody can participate in. The dhow tour is also a good idea, and it's actually quite cheap. What else? Oh, you mentioned something about flying over Purple Island and the mangrove forests in helicopters. That would be amazing, but the only problem is that I think it's going to be too expensive.

I like the idea of visiting Purple Island, though. What about just driving there? Or why don't we organise a night camping in the desert? They might like that. You could lend them your big tent!

Anyway, tell me what you think of my suggestions. Also, do you think we should arrange to do anything else with them on one of the other days? What do you suggest?

Keep in touch,
Nusrat
