repair scratched CD.

The first step is to wash the CD with water. Next, squeeze a small amount of toothpaste onto a clean cloth. The third step is to gently wipe the toothpaste onto the scratched part of the CD. After you have done this, wash the toothpaste with water. The water should be between ten and twenty degrees Celsius. Finally, dry the CD carefully with a soft, clean cloth.

Cover letter

Dear Sir/Madam,

I am writing to apply for the scholarship for undergraduate students which you advertise on your website.

I have just finished secondary school with excellent results, and Qatar University has accepted my application to study tourism management. The scholarship will enable me to further my studies and make a career in the tourist industry, which will give me an opportunity to share our cultural with visitors to our country. This will help me to acquire more knowledge and skills.

seriously consider my application, and I look forward to your response.

Yours faithfully,

Abdul Amari
