

## **Training Guidelines**

- The Induction Teacher training is a 35-hour training program that lasts for 7 days. Each day, the teachers receive a 5- hour interactive training to introduce them to “Action Pack series and the core strategies to teach the four skills ; listening, speaking, reading and writing.
- It is recommended that the trainer refers to different activities from Action Pack (Pupils’ Book & Activity Book) to model the best teaching strategies, and to familiarize the teachers with the various outcomes of “Action Pack” lessons.
- It is recommended that the trainer encourages the teachers to work cooperatively and collaboratively to do the tasks during the workshops.
