Read The passage then answer the questions

Salma's day

Salma is 10 years old, but she's going to be 11 next month. She lives with her father, her mother, her 9-year-old sister and her grandad. She lives in a small town in the UAE.

In the morning, Salma always wakes up at 6 am and washes her face. Then she makes the bed. She usually has breakfast with her family. She usually eats Biriani and drinks karak tea. She has balaleet and milk on Fridays and Saturdays. She takes the school bus every day. Salma loves going to school. When she comes home, she does her homework. Then she sweeps the floor. Her mother cooks and does the washing up. Her sister dries the dishes. Salma goes to bed at 9pm.
