I live in the beautiful city of Amman, which is in north west of Jordan.

The place I like the best is the Roman theatre, in the east of the city. The Romans built it about 1,900 years ago and around 6,000 people used to watch plays there. Now it's a famous place for tourists to visit.

The best time to visit Amman is either spring or autumn, when it is not very hot. I prefer the spring because there are flowers in the parks. People come from all over the world to enjoy the food and the city sights. I enjoy eating an ice cream in Abu Bakr al Siddiq Street.

I think tourists should come to Amman because there are a lot of awesome places to visit and many beautiful buildings. The people are also very friendly!
