In this book

The **Reading Eggspress Spelling** program provides instruction on spelling rules, strategies and generalisations. Each lesson focuses on a core set of 20 words, plus 10 challenge words to extend students. The crafted word lists are based on the sound, structure and meaning of words, and they reflect the following statutory requirements of the *National Curriculum in England*:

Writing – transcription/Spelling

Pupils should be taught to:

- spell by:
 - ✓ segmenting spoken words into phonemes and representing these by graphemes, spelling many correctly
 - ✓ learning new ways of spelling phonemes for which 1 or more spellings are already known, and learn some words with each spelling, including a few common homophones
 - ✓ learning to spell common exception words
 - ✓ learning to spell more words with contracted forms
 - ✓ learning the possessive apostrophe (singular) [for example, the girl's book]
 - ✓ distinguishing between homophones and near-homophones
- add suffixes to spell longer words including –ment, –ness, –ful, –less, –ly
- apply simple spelling rules and guidance, as per DOE *English Appendix 1: Spelling*
